(13) To ff:1-2

My dear Mr Visvesvaraya,

I was very glad to receive your letter of the 18th. I have been following the progress of your tour with much interest & satisfaction. I appreciate very much your taking my brother with you on a tour like this & I feel sure that he has learned much that will be of use to him in his official work, and I only hope that he has not been in your way too much & that his presence has not caused embarrassment in any respect.

I hope to be back in Bangalore by the 1st of next month, after I spend a couple of days at Mysore on my back.

With all good wishes,

Yours Sincerely

M. Visvesvaraya Esqr C.I.E.
